

JOB POSTING

**Associate Lawyer
(or student-at-law)**

The Position / Requirements

Woods Law Office serves over half of the First Nations in Saskatchewan with various aspects of their child and family services (child protection) legal services. We are looking for an associate lawyer (or potentially a student-at-law) to assist primarily in the area of child protection services for our various delegated CFS agencies. The successful candidate will have a **demonstrated interest in** child protection, indigenous child and family services, and/or indigenous legal services.

Compensation

Salary is negotiable and commensurate with experience. We offer a flexible work environment, comprehensive benefits, and an overall positive office culture.

How to Apply

Interested candidates can email Sheri Woods, in confidence, with any further inquiries about the position, an expression of interest, or resume and cover letter.
